School Children in Relief Work, School authorities have been not that Dr. Charles W. Elliot, pra emeritus of Harvard, and Preside David Starr Jordan of the Natio Educational association and Richard McLaurin of the Massachusetts Insti-ute of Technology have announced

tute of Technology have announced the beginning of a movement of educators to enlist the 20,000,000 school children of the country in relief work for home and foreign needs.

The idea is that by making clothing and other things for comfort, by siving entertainments in school buildings and by various means the children will raise at least \$1,000,000, one half to relieve local suffering and the rest to be distributed in Europe.

The fund will ge known as the Children of Americals fund. Headquarters have been established at Oai Hill

lren of America's fund. Headquar-ren have been established at Oak Hil Newton Center, Mass. The committee avs the work will set the childre gainst future war.
